Summary

I am an IT student with a solid foundation in web development, specializing in React, Next.js, and Tailwind CSS. Proficient in teamwork and problem-solving, I am eager to leverage my skills in a web development internship to contribute to innovative projects and further enhance my technical expertise.

Work Experience

Web Developer & Designer

May 2024 - May 2025

Agricart Farmers Producer Company Limited

- Developed a responsive home landing page and e-commerce website using Next.js, Tailwind CSS, and Firebase, improving user engagement and accessibility.
- Designed and implemented an admin panel to manage products and orders, streamlining operations and enhancing overall site functionality.

Freelance Web Developer

Feb 2024 - Present

- Designed and developed custom websites for multiple clients using React, Next.js, and Tailwind CSS, delivering solutions tailored to specific business needs.
- Collaborated closely with clients to gather requirements, translate ideas into functional designs, and ensure timely project delivery while maintaining high-quality standards.

Education

BSc Information Technology

June 2023 - Mar 2026

Vidyalankar School Of Information Technology

9.5 CGPA

Projects

ToolBox - Multiple Tools in one place

- Discover our comprehensive collection of web tools designed to streamline your workflow and boost productivity. Simplify your work, stay efficient, and get things done faster, all in one place.

SkyBox - Cloud Storage Platform

- Seamless File Access – Upload, store, and access your files from any device with an internet connection.
- Secure & Scalable – Keep your data protected with encryption and easily scale storage as your needs grow.
